Health Access America Reaching Out to Hispanic Population in Columbia at Cinco de Mayo Celebration

 [Send This Post To a Friend.](#) - Please note that I have been told that this doesn't always work

Post by on: Wednesday, April 25th, 2007

Posted in: [[Health](#)] [[All the News](#)] [[South Carolina](#)]

“Health Access America HAA continues to provide hope for uninsured South Carolinians in the Hispanic community. That mission continues at the Cinco de Mayo celebration at Finlay Park sponsored by Hispanic Connections, Inc.

HAA representatives will be on hand to provide information and guidance about the value of insurance and what opportunities for coverage exist. This nationwide health coverage campaign, sponsored by the Healthcare Leadership Council HLC, was brought to the Columbia area due to the high number of uninsured.”
